A. INTRODUCTION

About the Company

Age Thirty4 Technologies is a technology solutions company specialising in web development, digital presence, and IT services for schools and organisations. Under the leadership of Director Someleze Mazwi, the company delivers professional, affordable, and locally hosted digital solutions to clients across South Africa.

The Project

We are pleased to present the official Cedarville Public School website — a modern, fully responsive digital platform designed to serve learners, parents, educators, and the broader community. The website provides comprehensive information about the school, online application capabilities, and 24/7 AI-powered support for all stakeholders.

School Profile

Full Name	Cedarville Public School
School Type	No-Fee Public School
Principal	Principal
District	Alfred Nzo District
Province	Eastern Cape
Grades Offered	Grade R – 12
Motto	"Enter to Learn, Leave to Serve"
Location	No. 7 Mzingisi Location, Cedarville, 4720, Eastern Cape
Telephone	073 200 3457
Email	info@cedarvillepublic.co.za

Website & Domain Hosting

The website is built on modern, enterprise-grade technology and hosted locally by Age Thirty4 Technologies, ensuring reliable support, data sovereignty, and quick response times. All services are included in the monthly subscription:

Service	Description
Domain Registration	Custom .co.za domain setup and annual renewal included
SSL Certificate	HTTPS security for safe browsing — included at no extra cost
Email Hosting	Professional email accounts linked to your domain
Server Infrastructure	99.9% uptime guarantee with dedicated server hosting
Technical Support	Ongoing maintenance, updates, and security monitoring

Digital Presence & Brand Identity

Service	Description
Search Engine Optimisation	Best-practice SEO ensures the school appears prominently on Google when searching
Google Business Profile	Optimised listing appears on Google Maps and Search with correct contact details
Brand Identity	Consistent use of school colours (Navy & Teal), logo, and motto across all digital touchpoints

B. FUNCTIONALITIES

1. Display Website (Public-Facing Pages)

A beautifully designed, fully responsive website accessible on all devices (desktop, tablet, mobile). Each page is professionally crafted to reflect the school's identity:

Page	Description
Home	Hero banner with school images, news ticker, key statistics (74% pass rate), admission notices, motto
About	School history, campus photos, Principal's Message from school leadership
Staff	Full staff directory — Leadership, Departmental Heads, Class Teachers, Support Staff
Subjects	Comprehensive CAPS curriculum — Sciences, Commerce, and Humanities streams
Admissions	Detailed application process, requirements, and online application form
Achievements	Academic results, matric pass rates, and Hall of Fame for top achievers
Sport	Competitive sport programs — Football, Netball, Athletics, Volleyball
Activities	Extra-curricular programs — Debating, Choir, Cultural activities
Documents	Downloadable school documents, forms, and resources
Contact	Address, phone (073 200 3457), email, office hours, Google Map, contact form

ACADEMIC ACHIEVEMENT

74% matric pass rate with continuous improvement in national examinations

MULTILINGUAL SUPPORT

Website supports English, isiZulu, isiXhosa, and Sesotho — ensuring accessibility for the diverse Eastern Cape community

2. Online Applications

Parents and guardians can submit full online applications directly through the website — eliminating the need for in-person visits. The comprehensive system captures all required information:

Application Features	Description
Multi-Step Form	Comprehensive process capturing learner details, parent/guardian info, previous school data, and medical information
Document Upload	Upload Birth Certificate, Report Card, Parent ID, Proof of Residence, Transfer Letter, Immunisation Records
Auto Student Number	Automated student number generation upon successful submission
Status Tracking	Parents can check application status online anytime

3. Admin Portal

A secure, password-protected Admin Portal gives school administrators full control over website content — without requiring any technical knowledge. This significantly reduces running costs as staff can update content independently:

Application Management

Feature	Benefit
Auto-Capturing	Online applications automatically stored — no manual data entry required
Auto-Sorting	Applications organised by date, grade, and status for easy review
Auto-Rejection	Incomplete applications automatically flagged or rejected

Content Management Modules

Module	What It Does
News Editor	Add, edit, or remove news articles on the homepage
About Editor	Update school history and principal information
Achievements Editor	Manage academic results and Hall of Fame entries
Documents Editor	Upload and manage downloadable school documents
Sport & Activities	Manage sport and academic activities displayed on website
Applications Manager	Review, approve, or reject student applications
Contact Editor	Update phone, email, address, and office hours
Student Documents	Manage student-specific documents and reports

The Admin Portal eliminates the need to pay for routine website updates, keeping ongoing costs low.

4. AI Chatbot Assistant

An intelligent AI-powered chatbot is available on every page of the website, providing instant assistance to visitors 24 hours a day, 7 days a week:

Feature	Description
Advanced AI	Powered by advanced AI that understands natural language questions
Information Support	Answers queries about admissions, documents needed, school hours, and more
Multilingual	Automatically detects and responds in isiZulu, isiXhosa, Sesotho, or English
Status Lookup	Parents can check their child's application status directly in the chatbot
Quick Questions	Pre-loaded quick questions for common enquiries

5. Parent & Student Portal

A secure portal designed to give parents remote access to their child's educational information:

Feature	Description
Remote Access	Parents can follow up on their child's education from anywhere
Report Access	Academic reports uploaded by the school, viewable securely online
Communications	Important notices and documents shared through the portal
5-Year Retention	All reports and communications accessible for up to 5 years

6. Email Integration

Professional email setup linked to the school's .co.za domain for all official school communications (e.g., info@cedarvillepublic.co.za).

C. FINANCIAL

Pricing Structure

Service	Details	Amount
Once-off Setup Fee	Website design & development, .co.za domain registration, email setup, Google Business Profile, SEO configuration, admin training, deployment	R5,750
Monthly Subscription	Hosting, server space, website upkeep, AI chatbot usage, domain renewal, email hosting, security updates, backups, technical support	R200/month

Subscription Payment Plans

The monthly subscription can be paid in advance at a discounted rate:

Plan	Duration	Standard Cost	Discount	You Pay	You Save
Monthly	1 month	R200	—	R200/month	—
Quarterly	3 months	R600	5%	R570	R30
Half-Yearly	6 months	R1,200	10%	R1,080	R120
Yearly	12 months	R2,400	15%	R2,040	R360

FLEXIBLE PAYMENT POLICY

In the event that the school is unable to pay the subscription fee at the required time, the school may communicate this to Age Thirty4 Technologies upfront. **Services will NOT be cut off** — we understand the financial realities facing schools and will work with you to find a suitable arrangement.

Service Level Agreement (SLA)

A formal SLA covers response times, uptime guarantees (99.9%), scope of monthly services, content update turnaround times, data backup, security commitments, and payment terms.

Invoicing

- Once-off fee: Invoiced upon project commencement
- Subscription: Invoiced at the start of each billing period (monthly, quarterly, half-yearly, or yearly)
- Payment terms: As agreed in the SLA

SUMMARY

#	Key Benefits
